81 HAFENSTADT URBAN AREA ⌕ HAFENSTADT

Creative Life & Work Space – Life After Dusk. Meet us at the docks – it rocks! The `Lend`-channel once connected the historic city center with the Wörthersee. The very end of this abandoned former waterway has been kissed to life again. The `Hafenstadt`-project has been established to develop urban living space in a `creative quartier` for young entrepreneurs, designers, creatives, artists and craftsmen. The Hafenstadt-buildings combine modern functionality with the history structure of the ensamble and offer a cafe/bar/bistro, markets, shops, studios and co-working spots for metropolitan guests.

DOCK01 – Bar/Bistro/Shops

Urban design meets metropolitan lifestyle. The bar / bistro of Hafenstadt offers exceptional concepts for food-lovers: breakfast, brunch, live music, beer brewery and mini-shops for food, craft and design.

DOCK02 – Wunderland/Atelier

The Lendhafen has always been a bohemian district. We offer space for artists and artisans. To work. To exhibit. For sale.

DOCK04 – Theater

This urban venue offers an unique spot for all kinds of events: fairs & tastings, concerts, nightclub, cabarett, exhibitions or theatrical performances. Check our website for the latest program.

DOCK06 – Co-Working

We offer spots in a trendy office community. A creative atmosphere, right on the waterway to the lake, is a home to talented people in the city`s most exciting workplace.
